

Childrens Physicians Medical Group

PROVIDER NOTES March 21, 2012

Use of Covering Physicians

Please remember to notify CPMG of any extended absences (i.e. greater than 2 weeks) and if a non-contracted PCP will be covering. As a reminder, we encourage our physicians to use CPMG contracted doctors; however, we understand sometimes that is not possible.

For more information, please refer to section 2.3 of your Provider Agreement:

If Provider is, for any reason, from time to time unable to provide Covered Services when and as needed, Provider may engage another qualified physician (“Covering Provider”) to perform such Covered Services in Provider’s place, provided that IPA’s Board of Directors has approved such Covering Provider, in writing, prior to the rendition of any Covered Services by the Covering Provider.

If you have any questions regarding this communication, please contact the CPMG Provider Relations Department: Linda McGowan at lmcgowan@rchsd.org ph: 858-309-6271 or Darcie Babyak at dababyak@rchsd.org ph: 858-634-4954.
