Re: **Important Reminder - Claims & Encounter Data Submission**

IMPORTANT NOTICE:

We need your help! Rady Children's Health Network (RCHN) negotiates capitation rates with health plans and allocates funds to CPMG for primary care services, based on claims and encounter data submitted by our physician offices. Quality program scores and public reporting are also highly dependent on this data.

In order to calculate the true cost of the services provided to our patients, **a claim for each visit, whether capitated or reimbursed fee for service, must be submitted to CPMG/RCHN.**

Please review your medical/billing records and submit any missing claims from 1/1/19 forward, as soon as possible. Note that you are contractually required to submit this information to CPMG, and non-compliance will directly affect your future capitation payments.

We look forward to working collaboratively with you and your office staff, to assist in resolving barriers to appropriate billing and to provide any assistance you may need. Please don't hesitate to contact the CPMG Provider Relations team at providerrelations@rchsd.org or phone (858) 634-4954.
